

## Free Continuing Education Opportunity: “How to Engage Families”

Participants will receive 3  
CEU hours for attending this  
Workshop

November 10, 2014  
1:00PM – 5:00PM MST

### Workshop Description:

According to the latest research, active parental participation is the missing link to preventing at risk youth from going deeper into the juvenile justice system or out of home placement. Parenting with Love and Limits (PLL), an evidence-based model, will illustrate unique strategies to engage the parents and family to prevent relapse or out of home placement.

### Participants who complete this workshop will:

1. Learn the proper stance of the clinician that lays the foundation toward engaging families
2. Learn the Readiness for Change Stages so that the intervention utilized by the clinician is matched to the family's unique Readiness for Change Stage
3. Learn specific interventions that are uniquely matched to the first three Readiness for Change Stages – Pre-Contemplation; Contemplation & Preparation
